ELSIE V. HARRIDGE

Dedication

For her willingness to go out of her way to help us at any time with any problem, no matter how small; for her invaluable and often unrecognized assistance with dances, Mirror, Purp, opera, Vaudeville, banquets, and G.A.A.; for her constant attention to a job to make sure that it is done well; for her never-ending patience and her ready smile; for her devotion to us and to the school; we, the Senior Class of 1960, gratefully dedicate our Mirror to Mrs. Elsie V. Harridge.

The Varsity football team of 1959 would like to dedicate this page to "Mac" McCarty and "Rick" Lambart in an attempt to express our appreciation of everything they have done for us.

Mac has, in addition to coaching us in the fundamentals and fine points of football, helped us to gain courage and confidence in ourselves. Through him we have learned to meet a challenge head-on and try as best we can to overcome it, and we feel that this will be tremendously important to us during the rest of our lives. He has shown us how to stand on our own, but at the same time he has been forever ready to give us advice or help when we have needed it. Mac is not only a terrific coach, he is one of the finest persons we have ever known.

Rick has been associated with North Shore football since 1933. His knowledge, guidance, and understanding have been an invaluable experience for us and for teams of the past. His patience and his understanding of us have brought us through many crises which we could not have successfully negotiated alone. He has instilled in us the will to win, but at the same time he has shown that above all it is most important that we do the best we can. His devotion to us is matched only by our devotion to him.

These two men have given a spirit to the 1959 football team which will never be forgotten. It is to them that we attribute our success, as a team and as individuals. We would like to take this opportunity to express our deepest thanks and gratitude to Mac and Rick.

Through the Passing Years

It is with pride that once again through the medium of photography we have been able to fashion a graphic record of your school year — a pride stemming doubly from the knowledge that herein not only have we helped to create a record of so much meaning to each of you, but in so doing we have had the opportunity to share warm pleasant associations with so many.

Always, as years pass, this record will have a special place in your heart for it will be the visible token of the wonderful experience of your growing years, rich in the foundation of true and lasting friendship.

Our heartiest congratulations to all!

Cordially,
John Howell and Craftsmen

Thank You!

The staff of the Mirror of 1960 would like to extend its appreciation to all the students, faculty, and others who helped contribute to the success of the Mirror, and especially to Mr. Vogel and Mr. Howell.

We also would like to thank our advertisers. It is hoped that their friendship to the school will be rewarded by increased patronization by NSCDS students and parents.
